This is said to be the country's first multilingual story app which was launched last year by Chie Media Pvt. Ltd. FunDooDaa Books is an e-library of stories and is meant to impart learning through stories. This app is suitable for kids aged between 2 and 8. FunDooDaa Books app is available in different languages and has stories in English, Hindi, Tamil, Telugu, Malayalam, Kannada, Gujarati, Marathi and Bengali. Also, there are stories that will inculcate the Indian culture and heritage among kids such as Naana & Naani, Royal Tales & Legends, etc. The app is aimed to entertain kids and also make them learn and communicate in their mother tongue. The app gives special emphasis over improving the reading skills, vocabulary, and observational skills of the kids.
